

BLOOD PRESSURE MONITOR

-  Extra-Large Screen
-  Average Value
-  Universal Cuff
-  30s Auto Shut Off
-  Irregular Heart Beat Indicator
-  Backlight

Blood pressure monitor features advanced technology to automatically inflate and deflate at the appropriate level, delivering a personalized accurate, and comfortable measurement.

It can also calculate average blood pressure value based on the last three readings. It is convenient for you to use at home or take it out because of the compact size, so you’ ll never miss a measurement.
