

Mag S + Floorstand™

FLOOR LAMP

N1230

Fact Sheet

Designed for hands-free use, the MAG Lamp S with Floorstand combines clear magnification with flexible, stable positioning. The 13cm (5") glass lens provides precise viewing, making it ideal for detailed tasks and treatments.

The adjustable arm and mobile floorstand allow you to position the light exactly where needed, while maintaining stability during use. With multiple brightness levels and three colour temperature settings, it delivers consistent, accurate illumination in professional environments.
